ACHIEVEMENT AND CITATIONS

“MIRATEK, is unique in that they provided the technical assistance and customization necessary to meet our requirements. As such, they are the only vendor that can provide all required elements and meet our required schedule.”

- Lockheed Fire and Missiles – Program Manager, Virtual Reality Simulation Laboratory, Roland Tapia

“MIRATEK has shown that they have a strong Systems Integration team to support our high performance needs at NRD and other major directorates at White Sands. They have always demonstrated a willingness to respond to all our major contractor system needs.”

- White Sands Missile Range, NM – High Performance Systems Head, Mike Gawron

“MIRATEK has performed admirably on every contract they have performed for our Natural resources and Multi-Media group. The MIRATEK contracting personnel are the core of our support group here at Fort Bliss – DOE.”

- Directorate of Environment, Fort Bliss, Texas – Division Head, Keith Landreth

SUMMARY

COMPANY DIRECTION

- Excellent performance track record with commercial, local, state, federal and international clients.
- Strategically positioned to provide pro-active technical services in an international setting.
- Backlog of over \$3.5M in contracts/projects.
- As an aggressive growing small business, MIRATEK is interested in forming strategic relationships with strong firms that share similar business interests/corporate culture.

CORPORATE COMMITMENT

MIRATEK'S staff of highly motivated professional consultants is dedicated to providing timely and cost effective solutions to meet the client's most challenging business, engineering and information systems needs.
